Pre-Enrollment Application

Introduction:

University High School welcomes motivated students with the desire and ability to engage in a rigorous education that fosters responsibility and the spirited pursuit of knowledge. We are a school where all shareholders believe in the promise of every student, and together we work to build and sustain a community of diverse backgrounds, perspectives, and talents. University High School challenges each individual to live a life of integrity, inquiry, and purpose by focusing aptitude and attitude toward their current and future academic goals. Students who register at University High are committed to pursuing their college degree through a rigorous and engaging high school experience.

Admission Process:

University High School enrollment is limited. As a result, enrollment is time sensitive. If your son or daughter is interested in attending University High, we strongly encourage the submission of a completed admissions packet in a timely manner.

Supporting the Process:

We strive to ensure that all students have an equal opportunity to enroll in this college preparatory opportunity. In addition to support provided by your student's current school, we are available to assist you with specific aspects of the admission process. Please contact Mrs. Vanessa Huerta at 623-478-4383 or e-mail at vanessa.huerta@tuhsd.org if we can be of service.

To ensure appropriate placement and eventual success at University High School, we take the following into consideration.

- 7th grade AzMERIT for English and math (if available)
- 7th grade Report Card
- Other High Stakes Results (if available)
- Student Writing Sample (most recent writing assignment student is proud of)
